What to Pack

Girls: Warm sleeping bag, socks, pillow, warm sweatsto sleep in, personal toiletries and your own plastic mug.
Leaders: May bring a favorite video, CD for girls while they are on the ice, additional snacks or a simple craft.

What you should wear to go skating:

Bike or Hockey Helmet.

Beginner skaters ages 7 and below, are required to wear a helmet. Above age 7 helmets are strongly recommended, but are up to a parent's discretion. Bike helmets should cover the back of the head and should sit two fingers above the skaters eyebrows. Hockey helmets also offer excellent protection.

Skates: Either Hockey or Figure. For older or taller skaters, hockey skates generally give better ankle support and do not have toe picks that many novice skaters tend to trip over. Skate rentals are available on a first come basis.

Dress Warm. Remember this is an ice rink and it is always cold. Skaters should dress warmly and be able to comfortably move around.

Gloves: Gloves both keep your hands warm and protect your hands from ice burns when you fall.

Knee Pads. Knee pads are not recommended for any beginner skater, but should you feel that you would like to wear them, please make sure that the knee pads are under the skaters clothing.

No persons are allowed on the ice wearing shoes at any time.
