

For Groups of 100 or more:

Union Sports arena will provide **1 hour of ice** for your group to skate with Rink Monitors to assist you.

Daily admission to a typical Public Session is \$8 per person. With this program, your organization pays just \$5 per skater, keeping \$3 of the paid admission cost.

For 100+ people, you will make at least \$300!

We will also provide rental skates for your group at a discounted price.

Normal skate rental price is \$4 / pair, but for your group we will provide rental skates for \$3 per pair. (Due to the high cost of quality rental skates, and a discounted price, there is no profit sharing on skates. The rink collects and keeps the \$3 per pair).

We have ample benches and personal lockers for your group.

Terms:

- A deposit of \$400 is due to Union Sports Arena to book your ice-time.
- You will be given an ice-contract for your group leader to sign.
- The ice contract has all terms and conditions of renting and using the ice rink and facility.
- You should pre-sell at least 100 tickets to re-coup the deposit and earn your first \$300.
- Allow for additional door sales to boost your profits.
- Union Sports Arena will provide special skating admission / waiver stickers for all paid skaters to wear.
- No admission is charged for on-lookers.

For groups of 175 or more:

For 175 people, you will make at least \$525!

Union Sports Arena will provide your group **1 ½ hours of ice** for your fund-raiser. All above terms apply.

For Groups of 50 or more:

You can join in the fundraising by pre-selling 50 or more skaters during one of our public sessions.

- Dates must be pre-arranged.
- The same \$5 / \$3 split will apply.
- The same skate rental discounted price will also apply.

What you should wear to go skating:

- **Bike or Hockey Helmet.** Beginner skaters ages 7 and below, are required to wear a helmet. Above age 7 helmets are strongly recommended, but are up to a parent's discretion. Bike helmets should cover the back of the head and should sit two fingers above the skaters eyebrows. Hockey helmets also offer excellent protection.
- **Skates: Either Hockey or Figure.** For older or taller skaters, hockey skates generally give better ankle support and do not have toe picks that many novice skaters tend to trip over. Skate rentals are available at Union Sports Arena on a first come basis.
- **Dress Warm.** Remember this is an ice rink and it is always cold. Skaters should dress warmly and be able to comfortably move around.
- **Gloves:** Gloves both keep your hands warm and protect your hands from ice burns when you fall.
- **Knee Pads.** Knee pads are not recommended for any beginner skater, but should you feel that you would like to wear them, please make sure that the knee pads are under the skaters clothing. Having the knee pads exposed causes skaters to slide and unable to get up from a fall.
- No parents or guardians are allowed on the ice wearing shoes at any time.

The Staff of Union Sports Arena is committed to providing a safe, clean and friendly atmosphere for skaters of all ages.
