No glass bottles are allowed anywhere in the Facility. Also, you must clean-up after yourselves or pay a \$40 maintenance fee. Please bring your plastic garbage bag downstairs and place in designated area. No food is allowed on or near the ice surface.

What you should wear to go skating:

- **Bike or Hockey Helmet.** Beginner skaters ages 7 and below, are required to wear a helmet. Above age 7, helmets are strongly recommended, but are up to a parent's discretion. Bike helmets should cover the back of the head and should sit two fingers above the skaters eyebrows. Hockey helmets also offer excellent protection.
- **Skates: Either Hockey or Figure.** For older or taller skaters, hockey skates generally give better ankle support and do not have toe picks that many novice skaters tend to trip over. Skate rentals are available at Union Sports Arena on a first come basis.
- **Dress Warm.** Remember this is an ice rink and it is always cold. Skaters should dress warmly and be able to comfortably move around.
- **Gloves:** Gloves keep your hands warm and protect your hands from ice burns when you fall.
- **Knee Pads.** Knee pads are not recommended for any beginner skater, but should you feel that you would like to wear them, please make sure that the knee pads are under the skaters clothing. Having the knee pads exposed causes skaters to slide and be unable to get up from a fall.
- **Socks that pull up.** No bare feet. Anklets sometimes rub causing blisters.
- No parents or guardians are allowed on the ice wearing shoes at any time.

The Staff of Union Sports Arena is committed to providing a safe, clean and friendly atmosphere for skaters of all ages.
